VAISHNAVI KHILE

Software engineer

Highly motivated and detail-oriented computer science student with passion for programming and problem-solving. I have basic knowledge of DBMS, data structure and algorithm and proficient in C, C++.

CONTACT

vaishnavikhile01@gmail.com

SKILL

- Programming Language: C, C++, Python
- Database Management: DBMS Concept, SQL
- Web Development: HTML, CSS, JavaScript, Basics of react and node js
- Data Structure and algorithm
- Strong attention to detail and time management

LANGUAGE

- C, C++
- Basics of python
- HTML, CSS
- JavaScript

INTREST

- Explore new things
- Exercise

PROJECTS

C++

Tic Toe Game:
-Developed console-based Tic Tac Toe game using C++
-Implement game logic, user input validation and win condition

Student Management System:
-Created command-line application for managing student record using file handling.
-Implement feature like adding, modifying and deleting student detail

Web Application

Resume Generator:
-Developed web-based resume generator using HTML, CSS and JavaScript.
-Created user friendly interface for inputting information and generating resume

Portfolio:
-Design and developed personal portfolio using HTML, CSS and JavaScript
-Implement responsive design for optimal viewing across device

-Restaurant application developed using react library.
-Developed Clock and Calculator using bootstrap and JavaScript.

ACADEMICS

Bachelor of Computer Engineer (SGPA) – 8.9
HSC – 80%
SSC – 96%
